PRESS RELEASE

WITTER TOWBARS GAIN NTTA QUALITY SECURED ACCREDITATION.

Witter Towbars, the UK's largest manufacturer of quality Towbar systems, has been awarded the much covered National Trailer and Towbar Association Quality Secured Accreditation.

Witter Towbars is the first Towbar manufacturer to receive Quality Secured status. The NTTA QS Scheme was introduced to ensure best practice and the highest standards in the UK Towbar fitting industry.

Managing Director John Hinchliffe commented "We have been encouraging our network of Towbar Fitting Specialists to apply for Quality Secured status for some time now and it was only reasonable that we should apply the same standards to our own factory fitting centre. The Witter Towbars fitting centre is in Deeside near Chester and appointments for towbar fittings can be made via the Company's website using their unique WEB-FIT scheme at www.witter-towbars.co.uk

Ends.
